BOARD OF OIL, GAS AND MINING TO MEET IN REGULAR SESSION

The Utah Board of Oil, Gas and Mining will meet on Wednesday, April 26, 2006, in the auditorium of the Department of Natural Resources, 1594 West North Temple, Salt Lake City, Utah. The meeting will begin at 9:00 a.m. with presentations of 2006 Earth Day Awards. The formal agenda will begin at 10:00 a.m.

The board will recognize six mining operations, a construction company, and an energy education foundation that have individually demonstrated their concern for the environment. Five of the mining companies have exceeded regulatory requirements while developing essential natural resources, and the sixth mining company, a construction company, and The National Energy Foundation will be recognized with special lifetime achievement awards.

AGENDA

1. Docket No. 2006-001, Cause No. 119-02 - In the Matter of the Request for Agency Action of ENDURING RESOURCES LLC for an Order Vacating Cause No. 119-1 Spacing Order as to Sections 13, 14, 15, 22, 23, and 24 of Township 12 South, Range 21 East, S.L.M., Pertaining to the Production of Natural Gas and Associated Hydrocarbons from the Wasatch and Mesaverde Formations, Uintah County, Utah.

This matter was continued from March. Board will consider well spacing.

2. Docket No. 2006-003, Cause No. 245-04 - In the Matter of the Request for Agency Action of XTO ENERGY Inc. for an Order Establishing 160-Acre (or Substantial Equivalent Thereof) Drilling and Spacing Units for the Production of Gas (Including but Not Limited to Coalbed Methane) from the Ferron Formation in Section 35, Township 16 South, Range 7 East, S.L.M., and in a Portion of Section 1 and in Section 2, Township 17 South, Range 7 East, S.L.M., Emery County, Utah.

Board will consider well spacing.
